## SAP Data Analyst | Data Engineer Consultant

### Profile

Dear Sir/Madam

I'm Enes. Since I graduated from Marmara University I have worked in data analytics, reporting, data engineering, data visualization and similar processes in various projects. These days, I provide end-to-end consultancy on the installation and integration of SAP or Non-SAP systems into BusinessObjects, PowerBI and SAC. I have mentioned the tools I currently know and use in detail below.

I'm experienced with SAP BW, SAP BO, Datasphere, MSSQL Server, Snowflake, SAP Data Services, HANA, SAP Analytics Cloud Applications, PowerBI and Tableau.

Yours sincerely.
